

The MaXway To Lose weight

Max Kaan is arguably one of South Africa's leading hypnotherapists. Max operates a successful hypnotherapy practice in Johannesburg and each year helps thousands of people stop smoking and lose weight.

Max Kaan holds a B.A. Degree in Communication (Cum Laude) and a B.A. Honours Degree in Psychology. Max has over 25 years' experience in hypnotherapy, and is the President of the South African Academy of Hypnosis (Established 1990).

He regularly presents talks and seminars worldwide to Industry, Commerce, Organisations and the General Public on the benefits of health and wellness achieved through the medium of hypnosis.

Max is concerned with the world wide problem of excess weight and obesity and the damage to health it causes across all cultures. During the last five years Max Kaan has honed and perfected his MaXway system to Lose weight. The MaXway addresses all aspects of excess weight and obesity, including the social, physiological, psychological and adopts a whole brain approach.

What makes "The MaxWay" method different and so effective even in extreme cases is the fact that with the MaXway the individual deals with the root problem and not just the symptoms.

It doesn't matter whether you want to get rid of 5kg's or 30 kg's, the "MaXway" is the most effective and permanent way to successfully get rid of excess weight.

Max Kaan would love the opportunity to present to your company, a brief synopsis of his MaXway system. Max believes it will lend an important tool, enabling your members, to lose weight and feel great.
